SECTOR FOCUS

Healthcare / Health IT	Enterprise Tech	Gov't & Defense
------------------------	-----------------	-----------------

- Operational intelligence for complex industries — mapping how businesses operate to drive data-driven decisions at scale (foundational insight behind Palantir)
- Tech-enabled care delivery and health IT modernization — value-based models, underserved populations, scalable digital health platforms
- National capability companies in defense, industrials, and bio-infrastructure (Anduril, Saronic, Resilience) to strengthen long-term US competitiveness
- Early-stage conviction investing alongside the 8VC Build Program — co-founding companies across healthcare, enterprise, defense, and logistics

JHTV PORTFOLIO MATCHES

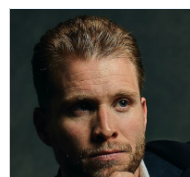

CurveAssure <i>Evan Haas</i> AI video MSK assessment — no hardware, \$500K+ ARR, raising \$1.5M. Pure health-IT vertical aligned with 8VC's care ops thesis.	Scene Health <i>Sebastian Seiguer & Morad Elmi</i> DOT platform (app + nurse/coach) for medication adherence. Series B2, \$28.8M raised — mirrors 8VC-built care models (Nest Health, Harbor Health).
Epiwatch <i>Teresa Prego</i> FDA-cleared Apple Watch app for continuous epilepsy monitoring. Seed, \$2.4M raised, raising \$3M — fits 8VC's digital health and chronic care thesis.	AVOID <i>Alex Marder</i> Classifies 5G base stations, routes DoD comms along adversary-free paths. Patent-pending, \$5M funded. Direct fit for 8VC's Government & Defense vertical.

WHO WE ARE MEETING WITH

Sebastian Caliri | Partner, Healthcare

Leads 8VC's healthcare team, investing in health-IT and health services. Ex-Palantir healthcare lead; helped insurance, pharma, and provider clients solve data problems.
